Dressage horse available for free lease: “Paul” is a 14-year-old Irish Sport horse who has competed through 3rd level and won numerous year-end awards. He currently does training/fi rst level dressage due to arthritis. Paul is available for lease to a caring, responsible individual (a must!). He is an excellent teacher, simple to ride, and an absolute sweetheart. Paul is boarded at Ancient Oak Farm (across from the Horse Park) and must remain here.

Leasee would be responsible to pay board, shoeing, and vet bills.
